Waukee Aquatic Committee to hold Open House

Waukee, IA – The Waukee Aquatic Committee, along with consultants Water's Edge and RDG, invite families and persons of all ages to attend an open house on April 6th at 6:00 pm in the Maple Street Community Center located at 445 Maple Street. The community is invited to share suggestions and ideas about potential aquatic center design, play features, and general layout.

The Aquatic Committee was appointed by the Waukee City Council in February 2009 to work with consultants, city staff, park board members, and council representatives to review available amenities, design options, site considerations, and general financial obligations of a potential aquatic center. The Aquatic Committee plans to hold several public open houses to incorporate suggestions and comments from citizens into the final design.
