## City of Waukee Comprehensive Park, Recreation, and Open Space Plan

Waukee, IA – Waukee City staff and consultants from Genus Landscape Architects and PROs Consulting invite all Waukee citizens to an Open House on April 1<sup>st</sup> at 6:00 pm in the Maple Street Community Center located at 445 Maple Street. This is the second open house, the first of which was held in January. The Park, Recreation, and Open Space Comprehensive planning process brings city staff, elected officials, and Waukee residents together to discuss both current and future facility needs. Through various group meetings and public open houses, the City of Waukee hopes to gain a better understanding of community needs and preferences in order to design a Comprehensive Plan that will be a guide for future parks, recreational programs, trails, and open space amenities and improvements.

For more information about the open house, please visit [www.waukee.org](http://www.waukee.org), [www.genus-lacom/waukeeparks.htm](http://www.genus-lacom/waukeeparks.htm), or call the Parks and Recreation Department at 978-0006.
