City of Waukeee Announces New Non-Emergency Phone Number Starting July 1, 2015

Waukeee, Iowa— Waukeee residents will utilize a new non-emergency phone number starting July 1, 2015. 515-222-3321 will become the new non-emergency number, while 911 will remain the emergency number. The Waukeee Police Department's general information phone number, 515-978-7979 will remain the same, along with the Waukeee Fire Department's general information phone number, 515-978-7998.

The change is the result of the City of Waukeee Police and Fire Departments completing their upgrade to consolidated dispatch center Westcom Communications for dispatch services. The Departments have been working on the migration to Westcom since the Waukeee City Council approved an agreement to join the dispatch service in February 2015, along with the cities of Clive, West Des Moines, Urbandale and Norwalk.

Residents are reminded that the new non-emergency number will not be activated until July 1, 2015. Dallas County dispatch can still be reached at 515-993-4567 until that date. The latest updates and information can be found on the City of Waukeee website at www.waukeee.org.
