

## Spring Clean-Up Week & Citywide Garage Sale

The 2025 **Waukeee Citywide Garage Sale** is planned for Saturday, April 26. This is not a City of Waukeee-sponsored event. It is a designated day for residents to join many others in hosting garage sales at their Waukeee homes.

**Spring Clean-Up Week for City of Waukeee/ASI customers\*** is scheduled for April 28-May 2.

Place large items on the curb for free disposal on normally scheduled garbage collection days, Monday through Friday. Bulky items such as furniture, oversized electronics and other large items up to five feet in length should be on the curb no later than 7 a.m. Smaller items should be bagged or boxed.

### **Safely dispose of Hazardous Waste, Appliances, Tires or Electronics**

Saturday, May 3, 8 a.m. to noon at Waukeee Public Works, 805 University Avenue

**Hazardous waste items** can be dropped for free disposal. This included items such as acid, rechargeable batteries, oil, antifreeze, lawn fertilizer, pesticides, pool chemicals, and oil-based paints or aerosols. Latex paint will not be accepted on this day. Cans of dried out latex paint can be placed in garbage bins with the regular trash; non-dried cans of latex paint can be taken to the Metro Waste Authority in Grimes for a fee. Sharps must be contained in detergent bottles or sharps containers (not milk jugs or soda pop bottles). Lids to sharps containers must be taped.

**Appliances and tires:** Appliances must be cleared of food, hazardous waste and garbage prior to drop-off. There is no charge for disposal. Up to five car tires may be dropped off free of charge; each additional car tire will be \$1. Semi-truck and tractor tire drop-offs will cost \$5 per tire. Rims will not be accepted.

**Electronics recycling:** Keep your electronics waste out of the landfill and protect your personal data. Drop laptops, TVs, keyboards, speakers, printers, routers, phones, e-readers, CRTs, TVs and more for free. All data-containing devices will have data cleared.

Alternatively, electronics are accepted in the weekly garbage collections or on the curb during clean-up week. Items picked up on the curb will not have the data wiped.

Find information on accepted and not-accepted items at [Waukeee.org/SpringCleanUp](https://www.waukeee.org/SpringCleanUp) or in the March issue of Waukeee Living Magazine.

*\*Residents in apartments, townhomes and Midwest Country Estates may have private garbage collection and are not eligible for curbside pick-up during Spring Clean-up week; talk with your management for guidance on disposing of large or bulky items.*

Waukeee Fire Department is hiring for full-time and part-time positions! They especially need trained paramedics. Find the job postings and apply at [Waukeee.org/Jobs](https://www.waukeee.org/Jobs).

## Yard Waste Collection Begins March 31

Weekly curbside yard waste collection will begin Monday, March 31. Yard waste includes grass clippings, leaves, brush and garden waste. Place materials in biodegradable bags or a reusable container with a 40-pound maximum weight and set at the curb by 7 a.m. each Monday. Do not bag yard waste in plastic bags. Reusable containers should be clearly marked with "YARD WASTE" or a large "Y." Do not use that container for anything else. Find more information about what is accepted at [Waukee.org/YardWaste](http://Waukee.org/YardWaste).

## New Name for Waukee Area Christian Services

Waukee Area Christian Services has served the Waukee community for more than 20 years, growing the types of services and support they offer and expanding their reach beyond the city limits to help more people. With that growth, they recently changed their name to WayPoint Resources. If you are experiencing hardship, please visit [WayPoint.care](http://WayPoint.care) to learn about the food pantry, clothing closet, medical care, housing assistance and other services that WayPoint offers. If you are looking for ways to serve your community, WayPoint accepts donations of money, supplies or your time to help them aid neighbors in getting through challenging periods. Their website outlines options to match your abilities and resources.
