If weather conditions make the time requirement for sodding impossible to comply with, Declarant shall establish a reasonable period of time for compliance.

B. No fences shall be permitted upon any Lot except as follows:

1. All fencing shall have both sides finished.
2. Fencing shall be limited to the rear yard and extend to the front by no more than ½ of the depth of either side of the house. C. Within thirty (30) days of completion of a dwelling on a Lot, a minimum of two (2) trees must be planted on the Lot having a diameter measuring at least one and one-half inches (1.5") measured two (2) feet vertically from the ground level. The party purchasing the Lot from the Declarant shall be responsible for planting these trees and cannot transfer said responsibility to party who first occupies the dwelling as a residence.

V. SATELLITE DISHES, ANTENNAS, POLES

A. Satellite dishes or parabolic devices in excess of twenty inches (20") in diameter used to receive television or other signals from satellites shall not be permitted. The satellite dish or parabolic device shall be mounted on the rear elevation of the dwelling or garage, or the rear half of the side elevation only. In no event shall a satellite dish or parabolic device be mounted on the front elevation or the front half of a side elevation.

B. No exterior towers or antennae of any kind shall be constructed, modified or permitted on the ground of any Lot or on any dwelling, garage or other permitted structure. All antennae shall be concealed with the attic space of the dwelling or garage.

C. No light pole shall be used or placed upon any Lot that extends more than ten feet (10') above grade. All light poles shall be of a residential design and shall be positioned on a Lot in a manner that will avoid direct lighting onto adjoining Lots. In no event shall a light pole be located any closer than twenty (20') from any property line.

In the event that any sign, other than those described above, shall be placed or exposed to view on any of the Lots restricted hereby, the officers or agents of the Declarant are hereby given the right to enter upon those Lots and remove said signs. Real estate signs by the Declarant will be permitted until such development is completed. Declarant reserves the right to install entrance and directional signs with respect to Prairie Crossing Plat 2, at locations and of design determined by the Declarant, and in a manner consistent with the ordinances of the City.

B. No trash receptacles, garbage cans or recycling bins shall be permitted to be placed outside a dwelling or garage unless hidden by an attractive screen of suitable height, or unless sunken to ground level in a hole lined with permanent cribbing. However, unscreened trash in proper containers and/or bags shall be allowed to be placed on a Lot outside a dwelling or garage no earlier than twelve (12) hours prior to a scheduled pick up of such trash. Such unscreened trash containers must be returned to the screened area or underground location, or inside a dwelling or garage, within twelve (12) hours following the scheduled pick up of such trash.

C. All utilities, including trunk and service lines for telephone, electricity and cable television, shall be constructed and located underground. No private wells or septic systems shall be permitted on any Lot.

D. Only below-ground swimming pools shall be permitted on a Lot, which shall be located in the rear yard and shall be screened by a privacy fence or hedge. No above-ground swimming pools are allowed.

E. No motor vehicle, watercraft, trailer or piece of recreational equipment, including but not limited to camping trailers, motor homes, snowmobiles, motorcycles, motorbikes, boats and canoes, shall be permanently or temporarily stored or maintained on a Lot unless stored or maintained in a garage, dwelling, or area completely screened from view from roads, easements, other Lots and any other portion of the Property. No commercial vehicle, equipment, parts or machinery shall be permanently or temporarily stored or maintained on a Lot outside of the dwelling or garage on the Lot.

VII. EASEMENTS

Certain perpetual easements are reserved as shown on the recorded plat of Prairie Crossing Plat 2, and/or as may be granted to the City by the Declarant and filed of record in the Office of the Dallas County Recorder. The owner or occupant of a Lot shall, at their own expense, keep and preserve that portion of the easement within their Lot in good repair and condition, and shall neither erect nor permit erection of any building, structure or fences of any kind within the easement which might interfere in any way with the use of such easement. The Declarant shall construct at its cost within six months of the filing of Prairie Crossing Plat 2 a berm in the Berm Area. The expense of maintaining, repairing and replacing the improvements and landscaping in the Berm Area shall be handled as described in Article XII below.

VIII. SIDEWALKS

The purchaser of a Lot shall, at the purchaser's expense, install public sidewalks in accordance with specifications of the City upon the earlier of the date the dwelling is built upon the Lot, or within one year of purchase of the Lot from the Declarant.

IX. MAINTENANCE OF LOTS AND SURFACE WATER

A. The owner or person in possession of each Lot, whether vacant or improved, shall keep the same well maintained, groomed and mowed, free of uncut weeds, rubbish, garbage and debris. Damaged or dead trees and shrubbery will be trimmed out or removed. Failing this, the Owner agrees that upon receipt of written notice from the Declarant to mow or cut such vegetation, trim or remove damaged trees or shrubbery, and/or remove such debris within ten (10) days, the Owner shall be subject to a combination of remedies recognized at law or equity.

B. Vegetation in flowage easements, creek channels, drainage ways and/or timbered areas shall not become overgrown with weeds, but may be planted in ground-cover species appropriate to the topography and land form.

C. The topography of Prairie Crossing Plat 2 is such that surface water may flow from certain Lots onto other Lots. In regard to all matters concerning surface water, each Lot shall be subject to such easements as may exist for the flowage of surface water under the laws of the State of Iowa, as may be in effect from time to time, and all Owners shall have such rights and obligations with respect thereto as may be provided by such law.

X. COVENANT ENFORCEMENT/GENERAL PROVISIONS

A. Penalties

In addition to the remedies described below in Paragraph B or elsewhere in this Declaration, the Declarant is hereby authorized to levy against any Lot in violation of this Declaration of Covenants, Conditions and Restrictions an assessment penalty not to exceed \$100 for each day a violation of this Declaration continues beyond thirty (30) days after notice of a violation has been given by the Declarant to the Owner of said Lot by certified mail, return receipt requested, or delivered in writing in by personal service. If the Owner of the Lot cannot be located after a diligent search or inquiry, the Declarant shall publish notice of the violation for two (2) successive weeks in a newspaper of general circulation in Dallas County, Iowa. If the Owner has not fully complied with the terms of this Declaration within thirty (30) days after receiving notice, or thirty (30) days after second publication of notice, the Declarant shall have the authority to levy an assessment penalty as described herein. This assessment shall be a lien on the Lot and shall have the same status as any other assessment levied by the Declarant. Any Lot Owner objecting to this notice of violation shall have the right within thirty (30) days of receiving notice to request a hearing before the Declarant. Assessment of the penalty shall be stayed pending a hearing and final decision by the Declarant.

B. Specific Enforcement of Restrictions

All Owners of Lot covenant and agree, by acceptance of a deed to such Lot, whether or not it shall be so expressed in such deed, that monetary damages may not provide adequate compensation for the breach of the restrictions and covenants contained in this Declaration and that this Declaration may be specifically enforced by Declarant, the City, or an adversely affected Lot Owner.

C. Attorney's Fees

In the event it shall be necessary to secure the services of an attorney to enforce the provisions of this Declaration, then the fee of such attorney, and all other costs in connection with the enforcement of this Declaration shall be the obligation of the Owner of the Lot which is the subject of such enforcement action, unless such Owner is found not to have violated any provision of this Declaration.

D. Covenants Binding and Running with The Land

Each of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be binding upon and inure to the benefit of Declarant and the Owners of each Lot, and their successors and assigns and all parties and persons claiming under any of them, and shall be deemed covenants that run with the land, and shall continue for the applicable periods specified in this Declaration.

It is the intent that, notwithstanding anything in the Code of Iowa to the contrary, all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be covenants running with the land for the full period specified in this Declaration without further action by either Declarant or any Owner of any Lot in Prairie Crossing Plat 2. However, in the event that Section 614.24 of the Code Iowa, as the same may be amended or replaced, may require that a verified claim be filed in the Office of the Recorder for Dallas County, Iowa prior to the twenty-first anniversary of the date of this Declaration or the twenty-first anniversary of the last filing of such verified claim in order to continue all or some of the covenants of this Declaration, including, but not limited to, any covenant, term, provision or restriction that is or may be considered a use restriction, reversion or right of reverter, in effect throughout the applicable periods specified in this Declaration, then:

(1) any or all of the Owners of the Lots, acting jointly or severally, shall file all verified claims necessary to keep all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration;

(2) a verified claim filed by Owner of a Lot in Prairie Crossing Plat 2 shall be valid and binding upon all the then Owners of Lots in Prairie Crossing Plat 2, and their successors and assigns, with the same effect as if executed by all such persons, and in order to facilitate filing of any verified claim required to so continue all or any of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration in full force and effect, each Owner of a Lot is hereby irrevocably appointed the attorney-in-fact for all of the other Interested Parties for the purpose of filing any such verified claim.

E. Duration

Any easements granted in or pursuant to this Declaration, and any other provisions of this Declaration to the extent applicable to such easements, and any other covenants, indentures,

restrictions and reservations of this Declaration that are reasonably or necessarily incidental to the benefit or burden of such easement rights, including any rights of assessment or for liens for the payment of costs associated therewith, shall continue in perpetuity, unless sooner modified or terminated as provided in this Declaration.

Except as provided in the preceding paragraphs of this Article, the covenants, conditions, restrictions and easements in this Declaration are to run with the land and shall be binding upon all parties and all persons claiming under them for an initial period of twenty-one years after the date they are recorded in the Dallas County Recorder's Office, and shall automatically renew for successive terms of ten (10) years each, unless sooner modified or terminated as provided in paragraph C of this Article.

F. Amendment of This Declaration

This Declaration may be amended in writing by an instrument signed and filed of record in the Office of the Dallas County, Iowa Recorder, by at least fifty-one percent (51%) of the Lot owners, if the Declarant does not own a Lot. Notwithstanding the foregoing, the Declarant retains the sole right to amend this Declaration so long as Declarant, its successors or assigns, has an ownership interest in any Lot.

G. Severability

In the event any provision of this Declaration is held invalid, illegal, or unenforceable, in whole or in part, the remaining provisions of this Declaration shall not be affected thereby and shall continue to be valid and enforceable and if, for any reason, a court finds that any provision of this Declaration is invalid, illegal or unenforceable as written or applied, but that by limiting such provision it would become valid, legal and enforceable, then such provision shall be deemed to be written or applied and shall be construed and enforced as so limited.

H. Captions

The captions of the articles, sections and any paragraphs, of this Declaration, or the lack thereof, are for convenience only and shall not be considered nor referenced in resolving questions of interpretation and construction of this Declaration.

XI. DECLARANT RIGHTS

Notwithstanding anything to the contrary contained in this Declaration, Declarant reserves the right, at any time to add additional real property to the residential development encumbered herein and thereby subject such additional real property to this Declaration; to subtract real property from Prairie Crossing Plat 2 and to remove it from this Declaration and to subdivide and replat such additional or reduced real property, and/or any Lots then owned by Declarant, in accordance with all applicable laws, rules and regulations of Dallas County, the City and any other governmental or quasi-governmental entity having jurisdiction. Declarant's exercise of its rights pursuant to this Article XI shall be evidenced by an amendment to this Declaration, executed and acknowledged in recordable form by Declarant, and duly filed for

record in the office of the County Recorder in and for Dallas County, Iowa, which amendment shall specify the description of each new Lot or reconfigured Lot resulting from Declarant's exercise of its rights hereunder.

XII. BERM AREA.

There shall be nothing planted from the peak of the Berm Area to the curb on NE Horizon Drive except the Declarant shall plant this portion of the Berm Area in grass. The Berm Area may be allowed to grow without mowing. From the date of this Declaration, the Declarant or its successors and assignees shall be responsible to maintain this portion of the Berm Area, any installation, maintenance or repair of the sidewalk located therein and the costs associated with maintenance of the Berm Area, including snow removal of the sidewalk. That portion of the Berm Area lying north of the peak of the Berm Area shall be maintained by the Owner of the Lot on which the Berm Area is located.
