

§502.17 **Prohibited Parking During Snow Emergency:** No person shall park, abandon or leave unattended any vehicle on any public street, alley or city-owned off-street parking area during any snow emergency proclaimed by the chief of police or his designee unless the snow has been removed or plowed from said street, alley or parking area and the snow has ceased to fall. A snow emergency parking ban shall continue from its proclamation through the duration of the snow or ice storm and the forty-eight (48) hour period after cessation of such storm except as above provided upon streets which have been fully opened.

Such a ban shall be of uniform application and the police department is directed to widely publicize the requirements, using all available news media, in early November each year. When predictions or occurrences indicate the need, the chief of police or his designee shall proclaim a snow emergency and the police department shall inform the news media to publicize the proclamation and the parking rules thereunder. Such emergency may be extended or shortened when conditions warrant.

This section shall not be construed as suspending parking limitations or restrictions imposed by any other section of this chapter, except that, in the event of a proclamation pursuant to this section, this section shall supersede any ordinances in conflict with this provision.
